ABOUT ME

Passionate and dedicated Frontend Developer with hands-on experience building responsive, user-friendly, and SEO optimized web applications. Proficient in modern web technologies including HTML5, CSS3, JavaScript ES6+, React.js, Next.js, and Tailwind CSS. Proven ability to create pixel-perfect UIs with clean code and best practices. Currently pursuing Bachelor's degree in Computer Science while actively developing real-world projects. Seeking a Frontend Developer position to contribute technical skills and grow in a dynamic development environment.
